

JOTTER & LAB REPORT FORMAT

Jotter

Title
Objective(s)
Materials & Apparatus
Procedure – flowchart/labelled diagram
Expected result
Discussion review
References

For more information scan:

Lab report (Not involve drawing)

Title
Objective(s)
Variables

- constant
- manipulated
- responding

Hypothesis
Materials & Apparatus
Procedure (Passive voice sentences)
Observation/ Result
Discussion

- Overview of the experiment
- Explain the result
- Compare expected result with actual result (including analyzing experimental error)
- Precaution steps (if required)

Conclusion
Questions & answers
References (min 2) – APA format (excluding lab manual)

Lab report (Involve drawing)

Title
Objective(s)
Materials & Apparatus
Procedure (Passive voice sentences)
Observation/ Result

- Drawing include title and actual magnification

Discussion

- Overview of the experiment
- Explain the result
- Compare expected result with actual result (including analyzing experimental error)
- Precaution steps (if required)

Conclusion
Questions & answers
References (min 2) – APA format (excluding lab manual)
